

The Three Year Vision

PHASE 1

YEAR 1

Existing Hospedia sites can upgrade to add our BYOD SPARK® Media solution.

Patients can have access to Free or Paid TV on the BYOD system and services like Netflix and Amazon Video where they already have accounts.

~~£7.90~~ **REDUCED**

We will reduce the cost to patients from £7.90 per day. (With Trust/Charity/Sponsorship Funding.)

Provide a revenue share back to the Trust/Charity

A new bedside terminal will be available, including:

- Bedside wall mounted
- Meal Trolley table
- Workstations on wheels
